[A Registration Certificate and Record of Payment of Advances shall be attached to the bond.]

Section 6. The Issuer has heretofore fixed water rates by Resolution No. 2015-15, adopted October 8, 2015, Resolution No. 2016-06, adopted February 11, 2016, Resolution No. 2017-10, adopted September 14, 2017, Resolution No. 2018-13, adopted December 20, 2018 and Resolution No. 2018-14, adopted December 20, 2018. Reference is hereby made to such Resolutions for the details thereof and other provisions pertaining thereto, which water rates are hereby confirmed and continued as provided therein. The rates in effect for water service at this time shall not be reduced without the prior written consent of Natural Resources and the Bondholder.

Section 7. (a) In order to assure full and continuous performance of the covenants contained herein with a margin for contingencies and temporary unanticipated reduction in Revenues, the Issuer covenants and agrees to establish, fix, prescribe, continue, and collect (directly or through leases, use agreements or other agreements, or licenses or resolutions) rates

and charges for the sale of water furnished by the Issuer which, together with other income, are reasonably expected to yield available Revenues at least equal to the Rate Covenant Requirement for the forthcoming Fiscal Year. The term "Rate Covenant Requirement" shall mean: Stabilized Net Revenues at least equal to the sum of (A) 120% of the Debt Service for the forthcoming Fiscal Year for the bond and any Parity Debt and (B) 100% of the amounts, if any, required by the terms and conditions for any Parity Debt to be deposited into applicable debt service reserve funds for such Parity Debt during the forthcoming Fiscal Year.

(b) If the annual financial statements relating to Revenues disclose that during the period covered by such financial statements the Stabilized Net Revenues were not at least equal to the Rate Covenant Requirement, the Issuer shall not be in default under this Section if, (1) within 60 days after the date of delivery of such financial statements the Issuer obtains recommendations from a Water Consultant as to the revision of the rates, charges, and fees necessary to produce Stabilized Net Revenues at least equal to the Rate Covenant Requirement and (2) the Issuer, on the basis of such recommendations, revises the schedule of rates, charges, and fees insofar as is practicable and revises Operation and Maintenance Costs so as to produce Stabilized Net Revenues at least equal to the Rate Covenant Requirement.

(c) The Issuer has previously authorized, by the RSA Resolution, the creation of a separate fund of the Issuer designated as the Rate Stabilization Account in order to even out fluctuations in Revenues and help to alleviate the need for short-term adjustments. Moneys in the Rate Stabilization Account will be transferred as determined from time to time by the Issuer. The Issuer may make payments into the Rate Stabilization Account and make withdrawals from the Rate Stabilization Account as provided in the RSA Resolution and as provided in Section 19. For purposes of defining Stabilized Net Revenues, amounts deposited into the Rate Stabilization Account shall decrease Revenues for the Fiscal Year for which they are deposited, and amounts withdrawn from the Rate Stabilization Account shall increase Revenues for the Fiscal Year for which they are withdrawn. Credits to or withdrawals from the Rate Stabilization Account that occur within 90 days after the end of a Fiscal Year may be treated as occurring within such Fiscal Year. The Issuer shall transfer moneys held within the Rate Stabilization Account to the Revenue Fund at such time and in such amounts as may be necessary to pay Operation and Maintenance Costs and to provide Revenues to enable the Issuer to satisfy any of its obligations under this Resolution or as required by any Parity Debt or Subordinated Indebtedness.

(d) Until such time as the Issuer has issued debt secured by the Watershed Protection Fees, the Issuer may include the revenue generated by the Watershed Protection Fees when making the calculations required by this Section.

Section 8. Subject to the limitations of the Consolidation Agreement, the Issuer has, and will have so long as the bond is outstanding, good, right, and lawful power to own the System and to fix and collect rates, fees, and other charges in connection with the distribution and sale of potable water to its customers. No revenue producing facility or service of the System shall be leased, furnished, or supplied free, but shall always be leased, furnished, or

supplied so as to produce Revenues, provided that the Issuer reserves the right (a) to lease, furnish, or supply, free of charge, any such facility or service to the extent that such action does not materially adversely affect the Issuer's ability to perform the Issuer's obligations under this Resolution, and (b) to adjust the rates, fees, and charges of the System in a manner such that the anticipated aggregate Revenues resulting after the adjustments shall not materially differ from the Revenues anticipated prior to the adjustments.

Section 9. The Issuer will not create, or permit the creation of, any new pledge, lien, charge, or encumbrance upon the Stabilized Net Revenues after the date hereof except as provided in or permitted by this Resolution.

Section 10. Subject to the provisions of the Consolidation Agreement, so long as the bond is outstanding, except as otherwise provided herein, the Issuer will not sell, lease, or otherwise dispose of all or a substantial part of the System, provided, however, that, to the extent permitted by law, the Issuer may lease or make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such lease, contract, license, easement, or right does not impede or restrict the operation of the System by the Issuer. The Issuer may, however, from time to time, sell, exchange, or otherwise dispose of any machinery, fixtures, apparatus, tools, instruments, or other movable property or any real property acquired by it, if the Issuer shall determine that such property is no longer needed in connection with the operation and maintenance of the System and the proceeds of any such disposition shall be applied to the replacement of the property so sold or disposed of or the acquisition of property of equal or greater value or shall be deposited into the Revenue Fund.

Section 11. The Issuer will operate the System continuously in an efficient and economical manner, to the extent practicable under then existing conditions. The Issuer will at all times maintain, preserve, and keep the System in good repair, working order, and condition so that the operating efficiency thereof will be of high character. The Issuer will cause all necessary and proper repairs and replacements to be made so that the business carried on in connection with the System may be properly and advantageously conducted at all times in a manner consistent with prudent management and the so that rights and security of the owner of the bond may be fully protected and preserved.

Section 12. All Revenues shall be promptly deposited by the Issuer to the credit of the Revenue Fund, and the Long Term Debt Surcharge Revenues shall be deposited into the Long Term Debt Surcharge Revenue Account in the Revenue Fund.

Section 13. The Operation and Maintenance Costs shall be paid by the Issuer from time to time as they become due and payable as a first charge on the Revenue Fund.

Section 14. (a) After paying the Operation and Maintenance Costs as they become due, there shall be paid as a second charge on the Revenue Fund, from amounts on deposit in the Revenue Fund, into an account of the Issuer in a special fund to be created by the Bondholder

and designated "Series 2019A" (the "ADFA Bond Fund") for the purpose of paying the principal of and interest on the bond the amounts specified in (b) below.

(b) There shall be deposited from proceeds of the bond or, at the direction of the Issuer, from moneys in the Revenue Fund, into the ADFA Bond Fund on each April 15 and October 15 after the bond is issued and delivered until April 15, 2023, the interest due on the bond on such dates. Commencing on each April 15 and October 15 thereafter, there shall be deposited from money or into the AFDA Bond Fund, an amount equal to the principal and interest on of the bond then due.

(c) All moneys in the ADFA Bond Fund shall be used solely for the purpose of paying the principal of and interest on the bond and the Issuer shall automatically receive a credit for the amount of such Issuer Funds on hand in the ADFA Bond Fund and available for the payment of any principal and interest currently due on an interest or principal payment date irrespective of whether the Bondholder has applied or caused to be applied such funds on that date for such purpose.

(d) The bond shall be specifically secured by a pledge of all Stabilized Net Revenues required to be placed into the ADFA Bond Fund. This pledge in favor of the bond is hereby irrevocably made according to the terms of this Resolution, and the Issuer and its officers and employees shall execute, perform and carry out the terms thereof in strict conformity with the provisions of this Resolution.

(e) Also as a second charge on the Revenue Fund, there shall be paid from amounts on deposit in the Revenue Fund the amounts required to be paid monthly into the bond funds established for any Parity Debt.

(f) If there are not sufficient moneys to satisfy the requirements of this Section 14 with respect the bond and all Parity Debt, all moneys available for distribution among such Parity Debt and the bond shall be distributed on a pro rata basis to the deficient bond funds; such distribution to be determined by multiplying the amount available for distribution by the proportion that the deficiency for each bond series bears to the total deficiency for all bond series.

Section 15. As a third charge on the Revenue Fund, there shall be paid monthly from moneys in the Revenue Fund into the debt service reserve funds established for the benefit of any Parity Debt, in the event that there are draws from the debt service reserve funds established for the benefit of any Parity Debt to pay principal of or interest on any outstanding Parity Debt, the amount, if any, required to restore the balance in the debt service reserve funds established for the benefit of Parity Debt in 12 consecutive monthly payments to the reserve requirements established with respect to Parity Debt, as applicable; provided that if there are not sufficient moneys to satisfy the requirements of this subsection with respect to all series of Parity Debt bond issues, all moneys available for distribution among such series of Parity Debt bonds shall

be distributed on a pro rata basis to the deficient debt service reserve accounts by the proportion that the deficiency for each series of bond issues bears to the total deficiency for all such accounts.

Section 16. There shall be paid monthly as a fourth charge on the Revenue Fund from moneys in the Revenue Fund the Financing Fee and all other financing fees in connection with Parity Debt, to the Authority. The Financing Fee shall be payable on each date interest on the bond is due and shall be calculated on the same basis as interest on the bond. The payment of the Financing Fee is expressly made subordinate to the payment of the principal of and interest on the bond and the Parity Debt.

Section 17. As a fifth charge on the Revenue Fund, but only to the extent of moneys available in the Long Term Debt Surcharge Account in the Revenue Fund, the various deposits and transfers required by the indenture securing the Series 2016 Maumelle Bonds, including deposits and transfers to the bond fund and debt service reserve fund established for the benefit of the Series 2016 Maumelle Bonds. From and after the Stabilized Net Revenues Adjustment Date, moneys in the Long-Term Debt Surcharge Account (i) shall only be used to make deposits and transfers to the bond fund and debt service reserve fund established for the benefit of the Series 2016 Maumelle Bonds and (ii) shall no longer be subject to the lien and pledge securing the bond.

Section 18. As a sixth charge on the Revenue Fund, there shall be paid monthly from moneys in the Revenue Fund into the Depreciation Fund, an amount calculated as follows: a flat three percent (3%) of water consumption-based revenues and private fire service revenues (including wholesale revenues). The Depreciation Fund shall be used for replacements and repairs to the System.

Section 19. Moneys in the Revenue Fund in excess of the amounts required to be transferred monthly pursuant to Sections 13 through 18 of this Resolution may be utilized by the Issuer for any lawful System purpose, including deposits to the Rate Stabilization Account pursuant to Section 7. Money in the Rate Stabilization Account shall be used as provided in the RSA Resolution.

Section 20. The Issuer shall assure that (i) not in excess of 10% of the proceeds of the bond is used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed moneys used or to be used for a Private Business Use; and (ii) that, in the event that both (A) in excess of 5% of the proceeds of the bond are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement,

directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of proceeds of the bond used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Improvements.

The Issuer shall assure that not in excess of 5% of the proceeds of the bond are used, directly or indirectly, to make or finance a loan to persons other than state or local governmental units.

As used in this Section, "Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

The Issuer covenants that it will not enter into any wholesale water contracts with non-governmental entities or modify existing wholesale water contracts with non-governmental entities if such contracts or modifications of existing contracts will cause a violation of this Section.

Section 21. The principal and interest installments shall be prepayable prior to maturity as provided in the bond form in Section 5 hereof.

Section 22. (a) As long as the bond is outstanding, the Issuer shall not issue or attempt to issue any bonds having or claimed to be entitled to a priority of lien on Revenues or Stabilized Net Revenues over the lien securing the bond.

(b) The Issuer may issue additional revenue bonds on a parity with the lien on Stabilized Net Revenues in favor of the bond provided that either there is no event of default with respect to the bond or any outstanding Parity Debt; and either

(1) The average annual Stabilized Net Revenues for the immediately preceding two calendar years exceed an amount equal to not less than the sum of (i) 120% of the average annual debt service of the bond and the outstanding Parity Debt, and (ii) the maximum annual debt service on the proposed Parity Debt. Until such time as the Issuer has issued debt secured by the Watershed Protection Fees, the Issuer may include the revenue generated by the Watershed Protection Fees when computing Stabilized Net Revenues under this Section; or

(2) The additional revenue bonds are being issued to refund any outstanding Parity Debt if the refunded Parity Debt is defeased on the date of delivery of the refunding Parity Debt and if the annual debt service of the refunding Parity Debt does not exceed the annual Debt Service of the Parity Debt in any Fiscal Year by more than \$5,000; or

(3) The additional revenue bonds constitute Short-Term Indebtedness and if immediately after incurrence of such Short-Term Indebtedness the outstanding principal amount of all Short-Term Indebtedness does not exceed 10% of budgeted net Revenues (Revenues less Operation and Maintenance Costs) of the System as shown on the annual budget for the current Fiscal Year.

(c) From and after the Stabilized Net Revenues Adjustment Date, the Issuer may issue or incur Special Debt Retirement Charge Indebtedness that is not Subordinate Indebtedness on the date issued or incurred.

(d) (1) The Issuer may issue Special Purpose Bonds for the purpose of financing or refinancing the cost of (i) Special Purpose Facilities in accordance with subsection (d)(2) or (ii) those matters that may be funded by the Watershed Protection Fee in accordance with subsection (d)(3).

Before any Special Purpose Facilities shall be constructed or acquired by the Issuer under this subsection, the Issuer shall adopt a resolution describing in reasonable detail the Special Purpose Facilities to be constructed or acquired by the Issuer, authorizing the issuance of the Special Purpose Bonds to finance the cost of construction or acquisition of such Special Purpose Facilities and prescribing the rights, duties, remedies, and obligations of the Issuer and the holders, from time to time, of such Special Purpose Bonds. In addition, no such Special Purpose Bonds shall be issued by the Issuer to finance Special Purpose Facilities unless:

(A) there shall have been filed with the Issuer a Water Consultant's Certificate stating that:

(i) the estimated rentals or other charges to be derived by the Issuer under and pursuant to the lease or other agreement relating to the Special Purpose Facilities will be at least sufficient to pay the principal of and interest on such Special Purpose Bonds as and when the same become due and payable, all costs of operating and maintaining such Special Purpose Facilities not paid for by the lessee thereof, and all sinking fund, reserve, or other payments required by the resolution authorizing the Special Purpose Bonds as the same become due; and

(B) the Issuer has entered into a lease which shall be for a term at least as long as the period during which such Special Purpose Bonds are outstanding and unpaid and which shall provide for annual payments to the Issuer, in addition to all rentals and other charges for the use of the Special Purpose Facilities, of ground rent in an amount which is determined by the Issuer to be a fair and reasonable rental for the land on which said Special Purpose Facilities are situated.

(3) The Special Purpose Bonds referred to in this subsection shall be payable as to principal, redemption premium, if any, and interest solely from Watershed Protection Fees. No such Special Purpose Bonds shall be issued by the Issuer to finance projects that may be funded by the Watershed Protection Fee unless there shall have been filed with the Issuer a Water Consultant's Certificate stating that the Watershed Protection Fees to be derived by the Issuer on an annual basis will be at least sufficient to pay the principal of and interest on such Special Purpose Bonds as and when the same become due and payable, and all sinking fund, reserve, or other payments required by the resolution authorizing the Special Purpose Bonds as the same become due.

(4) In the event the Issuer desires to issue Special Purpose Bonds secured by the revenue streams referred to in both subsections (d)(2) and (3), the Issuer shall comply with the requirements of both subsections (d)(2) and (3).

(e) The Issuer may issue Subordinate Indebtedness without limit as to amount.

Section 23. It is covenanted and agreed by the Issuer with the Bondholder, the Authority and Natural Resources that it will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State and by this Resolution, including, without limitation, the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, segregating Revenues and applying them to the respective funds maintained pursuant to the this Resolution.

The Issuer covenants and agrees that the Bondholder shall have the protection of all the provisions of the Authorizing Legislation, and that the Issuer will diligently proceed to enforce those provisions to the end of the Bondholder realizing fully upon its security. And, if the Issuer shall fail to proceed within 30 days after written request shall have been filed by the Bondholder, the Bondholder may proceed to enforce all such provisions.

If there be any default in the payment of the principal of or interest on the bond, or if the Issuer defaults in any ADFA Bond Fund requirement or in the performance of any of the other covenants contained in this Resolution, the Bondholder may, by proper suit, compel the performance of the duties of the officials of the Issuer under the laws of the State. In the case of a default in the payment of the principal of and interest on the bond, the Bondholder may apply in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the System on behalf of the Issuer and the Bondholder with power to charge and

collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for the payment of the expenses of operation, repair and maintenance and to pay the bond and interest outstanding and to apply Revenues in conformity with this Resolution. When all defaults in principal and interest payments have been cured, the custody and operation of the System shall revert to the Issuer. No remedy herein conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy or remedies herein provided or provided by law, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or given by law. No delay or omission of the Bondholder to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any default or an acquiescence therein; and every power and remedy given by this Resolution to the Bondholder may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon. Any costs of enforcement of the bond or of any provision of this Resolution, including reasonable attorney's fees, shall be paid by the Issuer. The Authority may enforce all rights and exercise all remedies available to the Bondholder in the event the Financing Fee is not paid when due.

Nothing herein contained shall permit the levy of any attachment or execution upon any of the properties of the Issuer, nor shall any properties of the Issuer be subject to forfeiture by reason of any default hereunder, it being expressly understood and agreed by the Bondholder by the acceptance of the bond that the rights of the Bondholder are limited and restricted to the use and application of Revenues, funds and other moneys, securities and funds pledged under this Resolution.

Section 24. When the bond has been executed and sealed as herein provided, it shall be delivered to the Bondholder upon payment of all or a portion of the purchase price in accordance with the Agreement. From the proceeds of the bond, the Series 2018A RLF Bond shall be paid in full. Sales proceeds in the amount necessary to make all or a portion of the semiannual interest and Financing Fee payments due on each April 15 and October 15 to and including April 15, 2023 shall be applied, unless otherwise directed by the Issuer, to the payment of Financing Fees and interest on the bond on such dates. The balance of the sale proceeds shall be deposited, as and when received, in a special account of the Issuer hereby created in a bank that is a member of the Federal Deposit Insurance Corporation and designated the "2019A Water Construction Fund" (the "Construction Fund"). The moneys in the Construction Fund shall be used for reimbursing the Issuer for the costs paid in planning and designing the Improvements, expenses incidental thereto and the expenses of issuing the bond approved in accordance with the Agreement. Payments from the Construction Fund shall be by check or voucher signed by a person designated by the Issuer, and drawn on the depository. Each such check or voucher shall briefly specify the purpose of the expenditure.

Section 25. The terms of this Resolution shall constitute a contract among the Issuer, the Bondholder and Natural Resources and no variation or change in the undertaking herein set forth shall be made while the bond is outstanding unless consented to in writing by the Bondholder and Natural Resources.

Section 26. The Issuer agrees that it will keep proper records, books and accounts relating to the operation of the System, which shall be kept separate from all other records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the operation of the System in accordance with generally accepted government accounting standards. Such books shall be available for inspection by the Bondholder and Natural Resources, or the agent or the representative of either, at reasonable times and under reasonable circumstances. The Issuer agrees to have its financial statements audited annually by an independent certified public accountant or the Legislative Joint Auditing Committee, Division of Legislative Audit of the State of Arkansas. The Issuer shall within 180 days after the end of each Fiscal Year file with the Authority and Natural Resources its annual audited financial statements. If the Issuer's audited financial statements are not available by such date, the Issuer shall file such audited financial statements with the Authority and Natural Resources within 60 days after receipt thereof by the Issuer.

Section 27. The Issuer covenants and agrees that it will maintain the System in good condition and operate it in an efficient manner and at reasonable cost. The Issuer agrees that, to the extent comparable protection is not otherwise provided to the satisfaction of the Bondholder and Natural Resources, it will insure, and at all times keep insured in a responsible insurance company or companies selected by the Issuer and authorized and qualified under the laws of the State to assume the risk thereof, all above-ground structures of the System against loss or damage thereto in amounts and against such risks as are customarily insured against in connection with similar facilities and undertakings as the System. In the event of loss, the proceeds of such insurance shall be applied solely toward the reconstruction, replacement or repair of the System, and in such event the Issuer will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement and repair work.

Section 28. The provisions of this Resolution are hereby declared to be separable, and if any provision shall for any reason be held illegal or invalid, it shall not affect the validity of the remainder of this Resolution.

Section 29. Reference in this Resolution to "Bondholder" shall include the original Bondholder or any registered assign thereof.

Section 30. All resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

RESOLUTION NO. 2019-10

A RESOLUTION APPROVING NOTICE TO THE CITIES OF LITTLE ROCK AND NORTH LITTLE ROCK DECLARING THE INTENT OF CENTRAL ARKANSAS WATER TO ISSUE WATER REVENUE BONDS; TO REIMBURSE ITSELF FOR SUCH EXPENDITURES FROM THE PROCEEDS OF THE BOND ISSUE; APPROVING SETTING A DATE FOR A PUBLIC HEARING ON THE ISSUANCE OF THE BONDS; APPROVING THE PREPARATION OF AN OFFICIAL NOTICE OF SALE, OFFICIAL BID FORM, AND PRELIMINARY OFFICIAL STATEMENT; AND PRESCRIBING OTHER MATTERS RELATING THERETO.

WHEREAS, Central Arkansas Water ("CAW") is a consolidated municipal water system created and existing under the consolidated Waterworks Authorization Act, Act 982 of the 83rd General Assembly of the State of Arkansas; and

WHEREAS, Paron-Owensville Water Authority ("POWA") is a rural water system located in Saline County that includes a service area encompassing the towns and communities of Paron, Ford, Owensville, Reform, and Rubicon.

WHEREAS, CAW has determined that it will be necessary to issue water revenue bonds in an aggregate principal amount not to exceed \$6,500,000, in one or more series, for the purpose of acquiring the water system currently owned and operated by POWA and making capital improvements (collectively, the "Improvements") thereto, together with establishing one or more debt service reserves and paying the cost of issuing the bonds; and

WHEREAS, CAW proposes to obtain funds to accomplish the Improvements and to pay expenses from the issuance of one or more series of tax-exempt bonds through a public offering, a private placement, or use of one or more of the programs offered by the Arkansas Natural Resources Commission ("ANRC"); and

WHEREAS, CAW proposes to repay the bonds with rate revenues and proceeds of one or more debt surcharges to be imposed upon POWA customers, and not CAW's general revenues; and

WHEREAS, the agreement that created CAW requires at least one public hearing on any proposed bond issuance and requires that CAW give three months' notice to the governing bodies of Little Rock and North Little Rock; and

WHEREAS, CAW desires to declare its "official intent," within the meaning of United States Treasury Regulation §1.150-2, to issue tax-exempt bonds.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF CENTRAL ARKANSAS WATER:

Section 1. CAW hereby declares its official intent and reasonable expectation to reimburse itself for original expenditures paid from its general or operating funds that are used in designing, constructing and equipping the Improvements between the date that is sixty (60) days prior to the date of this Resolution and the date the Bonds (as hereinafter defined) are issued, plus a de minimis amount and preliminary expenditures, with the proceeds of tax-exempt POWA bonds in the principal amount of not to exceed Six Million Five Hundred Thousand (\$6,500,000) (the "POWA Bonds")

Section 2. CAW shall reimburse itself for the original expenditures from proceeds of the POWA Bonds within 18 months after the later of:

- (a) the date the original expenditure is paid, or
- (b) the date the project is placed in service, but in no event more than three (3) years after the original expenditure is paid.

Section 3. The POWA Bonds shall be repaid from both rate revenues and collection of one or more monthly surcharges to be placed on the bill to customers who connect to POWA's water system.

Section 4. General Counsel is hereby instructed to give notice to the governing bodies of the Cities of Little Rock and North Little Rock that CAW intends to issue water revenue bonds, in one or more series, in an amount not to exceed Six Million Five Hundred Thousand Dollars (\$6,500,000) for the purpose of acquiring the water system currently owned and operated by POWA and making capital improvements thereto, together with establishing one or more debt service reserves and paying the cost of issuing the POWA Bonds.

Section 5. The Chief Financial Officer is hereby instructed to schedule a public hearing on the issuance of the POWA Bonds.

Section 6. If required, the Chief Financial Officer and General Counsel, working together with bond counsel, disclosure counsel, financial advisor, and trustee, are hereby instructed to prepare the forms of an Official Notice of Sale, Official Bid Form, and Preliminary Official Statement for presentation and approval by the Board at a later date.

Section 7. If required, such preliminary actions as are determined to be necessary by the Chief Executive Officer, General Counsel, and Chief Financial Officer are hereby authorized for the marketing of special revenue bonds in order to provide sufficient funds for acquiring the water system currently owned and operated by POWA and making capital improvements thereto, together with establishing one or more debt service reserves and paying the cost of issuing the POWA Bonds; provided, however, that at such time as the Chief Financial Officer may determine to be in the best interests of CAW, the final terms of the public sale of the bonds shall be submitted for approval by the Board of Commissioners of CAW, together with the proposed form of the Official Notice of Sale, Official Bid Form, and Preliminary Official Statement.

Section 8. The Chief Financial Officer may also provide a copy of this Resolution to ANRC to explore whether or not it is in the best interest of CAW to borrow from under a loan program administered by ANRC rather than borrow money pursuant to a public offering or private placement.

Section 9. The Board of Commissioners of CAW hereby authorizes and directs the Chief Executive Officer, Chief Legal Counsel, Chief Financial Officer, and other officers and employees of CAW to carry out or cause to be carried out all appropriate actions, to execute such other certificates or documents to evidence authority as authorized herein, and to take such other actions as they, in consultation with bond counsel, disclosure counsel, financial advisor, and trustee, shall consider necessary or advisable in connection with this Resolution in order to prepare for the sale of the bonds.

WHEREAS, CAW received three (3) responses to RFP#CAW19=13; and

WHEREAS, after review, at this time CAW staff believes that Scenic Hill Solar's proposal for 4.8 MW DC in Cabot, Arkansas, is the best of the three responses should CAW elect to proceed with the development of a solar power facility utilizing a third-party provider pursuant to a "power purchase agreement," "energy services agreement," or similar arrangement; and

WHEREAS, on July 25, 2019, the CAW Board of Commissioners authorized the purchase of approximately 73 acres in Cabot, Arkansas (the "Cabot Property") that might be used for construction of a solar field in that city; and

WHEREAS, submission of the Application will require the joint efforts of CAW and Scenic Hill Solar; and

WHEREAS, the Commission, based upon the recommendations of staff, has determined that it is in the best interest of CAW and its ratepayers to continue to explore opportunities for the development of solar power generation facilities.

NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF CENTRAL ARKANSAS WATER:

Section 3. Nothing herein shall require or otherwise obligate CAW to reimburse Scenic Hill Solar for any costs or expenses incurred in the preparation, development, submission, or prosecution of the Application.

Section 4. Nothing herein shall require or otherwise obligate CAW to proceed with development of a solar power facilities on the Cabot Property even if the Application is approved by the Public Service Commission.

Section 5. Nothing herein shall be deemed or interpreted to vary, modify, or otherwise change any of the terms or conditions of the Assignment of Offer and Acceptance previously executed by CAW enabling CAW to purchase the Cabot Property.

Section 6. WHEREAS, the Board of Commissioners of Central Arkansas Water is vested with the authority to establish water rates, subject to review by the governing bodies of both the City of Little Rock and the City of North Little Rock; and

WHEREAS, CAW has proposed consolidation of the water system owned and operated by Paron-Owensville Water Authority of the State of Arkansas ("POWA") into CAW's water system pursuant to a Water Consolidation Agreement to be approved by CAW and POWA (the "POWA Consolidation Agreement"); and

WHEREAS, the POWA Consolidation Agreement provides that CAW will adopt and charge POWA's existing rates commencing on the "Transition Date" (as defined in the POWA Consolidation Agreement) and that CAW will adopt and charge a debt surcharge sufficient to pay the cost of debt associated with the consolidation, but not greater than \$11.00 per month; and

WHEREAS, the Board of Commissioners finds that the rates to be established pursuant to this Resolution are adequate to meet the revenue requirements necessary for consolidation of POWA's water system into CAW's water system, including the cost of operating and maintaining POWA's water treatment plant and water system, as well as funding needed capital improvements.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF CENTRAL ARKANSAS WATER THAT THE FOLLOWING RATES AND DEBT SURCHARGES SHALL BE ADOPTED FOR CUSTOMERS WITHIN THE SERVICE TERRITORY ESTABLISHED BY THE PARON-OWNSVILLE WATER AUTHORITY OF THE STATE OF ARKANSAS:

RATE SCHEDULE
OF
CENTRAL ARKANSAS WATER
FOR CUSTOMERS WITHIN

PARON-OWENSVILLE'S SERVICE TERRITORY

Section 1. The following schedule of rates is hereby established by Central Arkansas Water ("CAW") for all customers within the service territory established by Paron-Owensville Water Authority of the State of Arkansas ("POWA"):

Effective Dates

This schedule shall become effective for water billed on or after the date POWA and CAW are consolidated as of the "Transition Date," unless otherwise amended or noted.

Meter Measurement

Except for public and private fire services, all water used shall be measured through meters. The size of each meter shall be determined by CAW commensurate with its estimate of the amount of water to be used for the premises. POWA's existing meters and rates are expressed in 1,000 gallons and are billed accordingly. CAW's rates and meters are expressed in 100 cubic feet. As meters are replaced or new meters installed, a conversion ratio of 1 cubic foot of water to 7.48 gallons will be used.

Minimum Monthly Charge

The Minimum Monthly Charge for all customers includes payment for the first 1,000 gallons of water used.

METER SIZE (diameter)	MINIMUM MONTHLY CHARGE
	Effective upon Consolidation
5/8"	\$ 24.34
3/4"	24.34
1"	44.68
1 1/2"	75.56
2"	122.54
3"	226.56
4"	368.51
6"	728.90
8"	1,232.94

Additional Monthly Charge

In addition to the Minimum Monthly Charge, the following table of rates shall apply to the amount of water used in excess of 1,000 gallons per month effective and a five percent (5%) "reserve fee" charged on the total cost of the Minimum Monthly Charge and the volumetric charge imposed on each 1,000 gallons above the first 1,000 gallons included in the Minimum Monthly Charge:

Per 1,000 GALLONS BEYOND the FIRST 1,000 GALLONS	\$8.09
--	--------

Other Fees

Connection Fees	
Meter Deposit	\$75.00*
Same Side Meter Service Line	\$1,200.00
Off-Side Meter Service Line	\$1,200.00 + 25.00/ft road bore

*Meter Deposit applies to 5/8" and 3/4" meters, CAW deposit guidelines will be applied for larger meter sizes.

Section 3. In addition to the Minimum Monthly Charges and other rates set forth above, CAW shall also assess debt surcharges, **not to exceed** \$11.00 per month on each 5/8" or 3/4" meter within the service territory established by POWA, and as set forth below for each larger meter size. The debt surcharges shall be in an amount sufficient to pay for the expenses identified in the POWA Consolidation Agreement, as established by the Chief Financial Officer, working together with CAW's Financial Advisor, and affirmed by the CAW Board of Commissioners. Each debt surcharge will continue until the debt associated with the respective surcharge is repaid.

<p>DEBT SURCHARGES (Note that these are not to exceed amounts; actual amounts are expected to be less than those shown below)</p>

METER SIZE (diameter)	TRANSITION
5/8"	\$11.00
3/4"	11.00
1"	20.19
1 1/2"	34.15
2"	55.38
3"	102.39
4"	166.54
6"	329.41
8"	557.20

Section 4. A penalty of ten percent (10%) shall be added to a customer bill not paid before the 20th day following the billing date. If a bill is not paid within 30 days after the billing date, service for the affected premise, or customer, may be disconnected. In such event, CAW may levy a reconnection charge in accordance with its existing service charge schedule for all CAW customers.

Section 5. This Resolution does not repeal CAW's Resolution 2018-13 establishing rates for CAW's customers other than those within the service territory established by POWA, but it is an addition to CAW's existing rates, as amended from time to time, creating a new rate class of customers and debt surcharges for customers within the service territory established by POWA. Unless specified in this Resolution, all other fees or ancillary charges assessed by CAW to its outside-city customers will apply to customers of POWA (using outside-city classifications, if applicable).

Section 6. Severability. The provisions of this Resolution are separable, and if any portion, section, provision, or phrase of this Resolution shall be declared invalid or unconstitutional, such action shall not affect the validity of the remainder of this Resolution.

Section 7. This Resolution shall be in effect upon its adoption and approval.

Section 8. A copy of this Resolution shall be filed in the corporate offices of CAW where it will be available for public inspection.
